THE SKY'S THE LIMIT

START YOUR AVIATION JOURNEY TODAY

**Are you interested in the dynamics of flight?
Would you like a behind the scenes tour of the airport?**

The Knoxville (TN) Chapter of The Links, Incorporated is here to help you get the answers to your questions and give you the experience of a lifetime !

Join us for our Aviation STEAM program on **Tuesday, May 3rd** ! We will present five accelerated modules about the principles of flight in a fun and creative way plus expose you to the many careers that keep airports, like our very own Knoxville airport, functioning with excellence.

When the webinars are over then it's off to the airport for a hands-on, highly interactive experience, and exposure to aviation professionals, the latest advanced flight training devices, the meticulously maintained fleet of aircraft, service vehicles and facilities.
